

School-Family Compact Defined

Our annual school-family compact offers ways for stakeholders to work together to ensure our scholars succeed particularly academically but also through opportunities for constructive exposure. It is an agreement that families, scholars and the school develop together. The compacts are reviewed and revised annually during the Title I Input period using the Qualtrics feedback survey and used as guidance during parent-teacher conferences. This compact provides strategies to help connect learning at school and at home.

Jointly Developed

Families, scholars and staff worked together and shared ideas to develop the school-family compact. Educators met within their subject area teams to design practical strategies for parents to use at home.

Parents provided valuable feedback on their needs to effectively support their scholars. Meetings were conducted to review and revise the school-family compact based on the academic achievement goals and scholar needs.

A sample of multi-grade level scholars were invited to share their input on the school-family compact.

Parents are always welcome to provide feedback on the compact at any time during the school year. All feedback will be collected and reviewed during the annual revision meeting with parents.

School Goals

The RISE Preparatory School will increase the percentage of scholars scoring at the Proficient Learner level or above in Mathematics and English-Language Arts by three percentage points as measured by formal assessments including but not limited to the Spring 2021 Georgia Milestones End of Grades (EOG).

Stakeholder Engagement

There are many opportunities for families to volunteer and play an active role in their scholar's education. Some examples of opportunities for engagement are:

- Virtual Classroom observation
- Family University Night
- Parent Advisory Council
- Scholar-Led Conferences
- Extracurricular Performances
- Principal's Town Halls
- Computer Usage 101 for Parents sessions

Do you have other ideas of how to help parents be more engaged? Please contact:

Parent Resource Suite

Open M-Th 8:00 AM-3:00 PM

Scholar Progress Communication

The RISE Preparatory School offers ongoing events and opportunities to provide families and scholars current academic status reports and reasonable access to staff:

- School Website
- Summer On-boarding
- Scholar-Led conferences
- Parent-Teacher conferences
- Facebook/Instagram/Twitter
- ClassDojo
- Infinite Campus
- Parent Resource Suite (Monday-Thursday 8:00 AM-3:00 PM)
- Grade level curriculum nights

2020-2021

Academic Emphasis (2020-2021)

English-Language Arts focuses on:

- Challenging and more sophisticated texts and concepts like analyses
- Inferences and highlighting relevant evidence
- Identifying connections, complexities in the narratives, recognizing how the language affects tone
- Identifying author's biases
- Grammatical structure
- Writing arguments to support claims with clear reasons and evidence
- Determining the central idea of the text

Mathematics focuses on:

- The Number System
- Ratios & Proportions
- Geometry
- Statistics & Probability
- Equations & Expressions
- Functions
- Word Problems
- Constructive Response

As a school, we will...

- Develop interactive homework assignments in Math and ELA that focus on building competence in reading, vocabulary and the mathematics standards.
- Provide online resources and academic workshops for families to support their scholar.
- Administer benchmark exam through I-Ready to provide scholar's subgroup with an Individual Learning Pathway in ELA and Mathematics.
- Provide teacher approved academic resources for math and ELA like Study Island, Eureka Math, USATestPrep, Illuminate and encourage parents to practice and review with their scholar for a minimum of 30 minutes, 3-5 days per week.
- Encourage families to use the Parent Resource Suite to find other resources and strategies that support scholar learning.
- Invite families to monthly Family University Night for strategies to use at home.

As a family, we will...

- Use the interactive homework assignments in Math and ELA review and reiterate what my scholar has gained in school.

- Attend reading and math workshops and encourage my scholar to use the online resources provided.
- Attend monthly subgroup meetings to further understand my scholar's I-Ready benchmark results how to support my scholar at home using their Individual Learning Pathway.
- Practice Study Island, Eureka Math, USATestPrep, Illuminate with my scholar for a minimum of 30 minutes, 3-5 days per week.
- Visit the Family Resource Suite for strategies and resources in mathematics, reading and writing to support my scholar at home.
- Attend the monthly Family University Nights for strategies to use at home.

As scholars, we will...

- Complete the interactive homework assignments with my family making sure to note the problems or questions that I do not understand.
- Use the online resources provided and encourage my parents/guardians to attend ELA and Mathematic workshops.
- Review my I-Ready benchmark data from the Individual Learning Pathway, Eureka Math, USATestPrep, Illuminate with my family and use the strategies to support my academic success.
- Complete nightly Study Island and USATestPrep assignments for a minimum of 30 minutes for 3-5 days per week.
- Visit the parent resource suite with guardians for additional academic support.
- Encourage my family to attend monthly academic information meetings and workshops with administration to get understanding on how to support scholar achievement.
